

Kiddie Academy of Horsham's Inclement Weather Policy

Kiddie Academy of Horsham will make every attempt to open on time and remain open for a full day. Unfortunately, severe weather does not always allow this to happen. Any school closing information will be posted by 5:30 AM. Parents must check one of the following before attempting to bring their child to the academy:

- **WEBSITE:** Our main website is www.kiddieacademy.com/horsham. Any academy closing information will be posted in a pop-up box over the *Welcome* page.
- **TEXT MESSAGE/EMAIL:** An emergency email and text message will be sent to all Kiddie Academy families through our *Tadpoles* Communication System. Please be certain to keep us posted with any changes to your contact information so that you are sure to receive the latest information.

If there is snow in the morning and we are open, poor road conditions may make driving difficult for some of our staff who live a distance from the academy. As a result, if staff is running late, you may be asked to stay with your child in his/her classroom until student:teacher ratios are met.

If weather conditions begin to deteriorate during the day and we are forced to close early, we will send out an emergency email/text message through *Tadpoles*. Parents are encouraged to stay connected to their email or cell for text messages throughout the day. Please keep in mind; if NOTHING is listed on the above sources, we are open for business as usual!!

If you will NOT be bringing your child to the academy on a questionable weather day, PLEASE LET US KNOW via a phone call or email so we can work to keep/get our staff home and safe.
